**Mobile:** +353 86 268 5047

**Address:** 12 Brooklawn Avenue, Blackrock.

**Github:** <https://github.com/Moeh-Jama/>

## Summary

---

A determined and energetic individual who has developed a goal oriented mind-set and responsible approach to taking on challenges and tasks that are presented to me. Currently a 2<sup>nd</sup> year student pursuing an internship.

## Education

---

**University College Dublin** 2016/2020

BSc in Computer Science.

First Year 2:1

**Blackrock Further Educations Institute** 2015/2016

Computer Science

QQI certificate in Software Development.

## Experience

---

**Camara Education** 2016 Feb

Chapelizod Industrial Estate

- Maintained a well-kept workshop area, and adhered to the workplace health and safety routines.
- Repaired and maintained desktops, along with boxing approximately 108 PC's, set ups, a day.
- I was given the responsibility of introducing three new colleagues and given the duty of leading them into the proper work ethics of the workshop.
- IT skills, like tagging and logging products into tracking systems and installing expected operating system, Ubuntu.

## Projects

---

**Crossfire.** ([on my GitHub](#))

A turn-style inspired fantasy game written in the C programming language. The game consists of 2 or more players playing against one another until there is one last living player. This project was developed by me and another student for class.

**Bank\_Jama** ([on my GitHub](#))

Bank\_Jama is bank account application where account holders can withdraw, deposit, and check their balances. Each user account details are stored in a **sqlite3** database. The program is written in **Python** and is GUI based, implemented in **Tkinter**.

## Skills

---

*Languages:*

C, Java, Python, C++, HTML, CSS, JavaScript, SQL, PHP

*Developmental Tools:*

Eclipse, Pycharm.

## Achievements

---

- Level 5 QQI Certificate in Software Development with Distinction.
- Successfully ran, along with 4 other pupils, a Primary school football league. This gave us the opportunity to promote our secondary school while also making a fun event out of it.
